European Conference of Christian Radios
Conférence Européenne des Radios Chrésiennes

This 17th Conference suggested by the ECCR with all the Christian radios of Europe, stands from the point of view of the construction of Europe on ethical and spiritual values, which support comprehension and the bringing together between the people of our continent. Gathering more than 650 radios from the Atlantic to the Ural, the ECCR thus continues the action which it undertook since its creation in 1994, in particular thanks to the Conferences previously organized in Brussels, Strasbourg, Rome, Warsaw, Lisbon, Vienna, Madrid, Budapest, Malta, Bratislava, Rome, Prague, Iasi, Brussels, Bled and Hilversum.
